What are you up to the summer?

As you can see the calendar for the summer is getting busy. We have foreign travel, the classic car shows and Mini Clan events spread throughout the months and we really look forward to see you and your Mini at some of

these. We would also like to say that there are some great events happening this summer arranged by other clubs; the Aberdeen Show is in July followed by the Minis In Inverness Charity

Run in August, and hopefully the Clan will be at both.

So please give us a call, an email or a letter if you want to come along to anything and we will make sure you are included.
